### 100 Pink Salooni Cards

## Object

Be the first player to collect 4 Blue Salooni cards by making the best combinations

### Let's Play!

1. Choose a player to be the first judge. This player deals 5 Pink Salooni cards, face down to each player (including him or herself). Everyone can look at their cards.
2. The judge turns over the top Blue Salooni card, reads it aloud, then places the card **face up** on the table.
3. The other players choose the Pink Salooni card from their hand that they think makes the best combination with the word on the Blue Salooni card and places their card face down on the table.

4. The judge mixes the Pink Salooni cards, turns over each one and reads it aloud.

## Majlis Talk!

Now it's time to make your case to the judge. Players should try to convince the judge that their card is the best choice.

Get factual with your reasons! "Majlis Talk" is one of the most important and interesting parts of the game. And it doesn't matter if the Pink Salooni card you played isn't a perfect fit. Judges will often pick the most convincing combination.

5. After hearing the explanations, the judge selects the Pink Salooni card he or she thinks is best, concluding the "majlis" by explaining out loud why the aforementioned card was selected. The judge awards the Blue Salooni card to the person who played the winning Pink Salooni card. To keep score, players keep the cards they've won on the table until the end of the game. Other cards played during the game are discarded.

6. The role of judge passes to the player on the right. The new judge deals enough Pink Salooni cards to bring everyone's hand back up to 5, turns over another Blue Salooni card and the next round begins.

## Winning the Game

The first player to collect 4 Blue Salooni cards wins the game!

### Important Note

Some of the information included in the cards have differing opinions. We encourage you all to study Islamic literature and increase your knowledge on the tragedy of Karbala.
